

FT. LAUDERDALE

TRIP FAQ'S

How early do I need to arrive at Forbes for my flight?

It is recommended to arrive at the airport 75-90 minutes prior to departure.

All four waves only have one flight each, departing at 7:00am, so please arrive no later than 5:30am on your respective wave.

Is Forbes where we have our Hangar parties at?

No, but they are close! Here's the address: 740 SE Airport Dr, Topeka, KS 66619

Take Topeka Blvd South (towards Forbes Field)

Take a left on SE Airport Drive & take this to the terminal. Parking is uncovered & free.

You can find a detailed parking map on the AE Beach Goal website under FAQ.

What do I need to bring to the airport with me?

Do **NOT** forget your ID(s). You will not be allowed to travel without it.

**GOOD NEWS is no passports required!!!

Flying on our charters is just like flying commercial – make sure to have everything you'd normally take on a Southwest/American/Delta (commercial) flight with you.

If helpful, bring these FAQ sheets + attached hotel map for easy reference. Oh, and maybe pack a couple bottles of sunscreen for your checked bag!

What luggage am I allowed to bring?

Each person is allowed to bring one checked bag up to 50 lbs (this includes golf clubs).

Our carry on policy is:

- One carry on for the overhead bin PER COUPLE

- One small carry on per person to fit under the seat in front of you (i.e. backpacks, purses, etc.)

Will the plane serve snacks and drinks?

Breakfast will be provided on all 4 departing flights going to Fort Lauderdale, as well as non-alcoholic beverages & alcoholic beverages. And yes, there will be coffee ☺

On the returning flights home, lunch will be served along with non-alcoholic beverages only. Alcoholic beverages will not be served on return flights.

Traveling with prescription medications?

If you're bringing a prescription medication, please keep it in the original bottle and pack it in your carry on. That way in case anything happens to your luggage, you have easy access to it.

Do I need to bring any money with me?

It is a good idea to bring smaller bills to tip waitstaff and some cash for any off property excursions, dining, etc. When traveling, debit/credit cards are typical easiest but make sure your bank is aware you are traveling. Each room will have a safe that you will be able to lock valuable items and money in. A good rule of thumb regarding valuable items, if you don't need it...don't bring it. ☺

In addition, the hotel will require a valid credit/debit card to be added to your hotel room so that any onsite purchases (retail, spa treatments, food and beverages, etc.) will be charged to that. Please make sure that you do NOT leave the hotel without putting a card on file. AE will not cover your incidental charges so make sure you pay your room charges!!!!

How do I give consent for my child's medical treatment to their caretaker while I'm away?

Be sure to fill out the Parental Consent for Medical Treatment form that gives your caregiver(s) consent to authorize medical treatment for your kiddos should it be needed. This form needs to be notarized and left with your caregiver. You can find this form on our FAQ page on our AE Beach Goal website.

Am I able to see what room I'm in before I get there?

The hotel cannot pre-assign rooms. Clean rooms will be assigned as people check in, especially based on our early arrival times.

Please do not contact the hotel with these types of questions as they will most likely change based upon arrival and availability.

Where are we staying?

W Fort Lauderdale

401 N Fort Lauderdale Beach Blvd

Fort Lauderdale, FL 33304

Phone Number: (954) 414-8200

What happens when we arrive at the Fort Lauderdale Airport?

Our landing terminals have not been officially assigned, so please keep checking the AE Beach Goal website for specific arrival updates. For peace of mind now, there will be transportation staffing at the airport with signs to direct you to our motorcoaches. When you deboard the plane, follow airport signage to appropriate baggage claim area to get luggage.

From there follow signage to ground transportation. Our hired transportation representatives will be there to help guide the way. If other non-hired transportation companies try to encourage you to ride with them, simply tell them you have other means.

Don't worry - you don't need to rush. You will have time to deboard, go to the restroom and still get on a motorcoach. If you're nervous about getting left behind, tell an AE friend your plans so they can account for you.

How far is the airport from the hotel?

It is roughly a 20 minute drive to the hotel. We have all transportation set up, so follow your AE friends and hop on an available bus. Enjoy the ride...you're almost to 2 days in the sun and time at the beach!

What do I do if my room isn't ready?

The hotel will have luggage storage available for anyone whose room is not available at time of check in. You will have access to all areas of the resort while you wait on a room. We encourage you to pack your swimsuit & a change of clothes in your carry on so it's a quick change to enjoy the sunshine!

Can I leave the hotel?

You are welcome to leave the hotel but, as always, be smart. Do not travel alone.

There are plenty of UBERs and a wonderful Water Taxi available to take you anywhere in Fort Lauderdale with great restaurants, shopping and activities all within distance! You can also catch a Circuit Car (Fort Lauderdale's city sponsored free transportation system) for a quick ride downtown, or hop on the Brightline for a day trip out of town (more details on the website).

Is the hotel all inclusive or what will I be responsible for?

Unfortunately most hotels in the United States are not all inclusive. AE is covering your flight to/from Fort Lauderdale along with the hotel cost for the trip nights. We are also planning group breakfasts daily onsite at the hotel, as well as one wave party with afternoon hosted food and beverages. To help alleviate additional costs, each AE Staff member will receive a \$250 gift card for themselves and an additional \$250 gift card for their guest. This gift card will allow you to use it for onsite or off-property food and beverages.

Is there a discount for the spa & golf?

The resort has been kind enough to offer a 15% discount at the spa for our AE team while we're there, however, there is no golf course on property. Check out the Things to Do tab on the website for golf recommendations in the area.

If I have a significant issue and need assistance. Who do I contact?
